

DIVERSITY

For many years Poland was closed for other nations. Traveling to other countries was very expensive and difficult. Since 2004 when Poland joined European Union all things have changed.

Many Poles have moved to other countries, specially to UK. Foreigners realised, that Poland is perfect place to spend holidays.

Examples of promoting diversity

Festival of cultures

- It took place in our aera.
- Concert of few local folk bands.
- Concert of very popular band, Brathanki, who plays music that includes folk, funk, rock.

Former death camp in Treblinka

Every year students from our school visits Treblinka. During World War II there was nazi death camp. We met there with Jews who visit this place, because it is very special for their culture.

Day of languages

Every years in our school is day of english and russian languages. Students presents english and russian songs, book excerpts and curiosities about England and Russia.

FOLK DANCE GROUP

In our school is folk dance group lead by Miroslawa Renik, teacher of cultres in Sadowne. This group has activities once a week.
